Clackamas YMCA Parent Pledge of Conduct

I understand that my responsibilities as a parent are of great importance and I realize that my actions may have the potential to significantly influence the young athletes who participate in YMCA sports. Therefore, I promise to conduct myself in accordance with the YMCA's Code of Ethics of Parents as follows:

1. I will treat each player, coach, official, parent and administrator with respect and dignity.
2. I will become thoroughly familiar with the YMCA's philosophies and Christian Principles (love, respect, honesty, responsibility and service) and communicate them to my child.
3. I will provide a positive role model by setting a good example for my child and other children on the team (i.e. stating only positive comments, not arguing with the referees, being supportive at all times, demonstrating positive sportsmanship, etc.).

I also promise to follow the guidelines concerning the use of the North Clackamas School District facilities listed below:

1. I will continually supervise all siblings of the player/participants during practices and games.
2. I will not bring food or drink into any facility.
3. I will not allow my children (or myself) to "stray" into parts of the facility which are "off-limits" to the group and its participants.
4. I will not allow my children (or myself) to bounce balls in the facility (outside of the gym), run in the halls, play on the stage, or participate in any other activities which may damage the facility.
5. I will treat building supervisors/custodians with respect at all times. If I have a concern regarding usage of the facility or any other issue, I will contact the Youth Sports Director at the YMCA.

With my signature, which I voluntarily affix to this contract, I acknowledge that I have read, understood, and will do my best to fulfill the promises made herein. I realize the failure to follow the contract can and will be grounds for removal from participation in this or any other Clark County YMCA program.
